

Ring Sizer

How to measure your finger:

1. Wrap the strip of paper tightly around the largest knuckle of your finger.
2. Mark the paper where it overlaps
3. Measure the length of paper
4. Compare the measurement to this chart to determine your ring size.

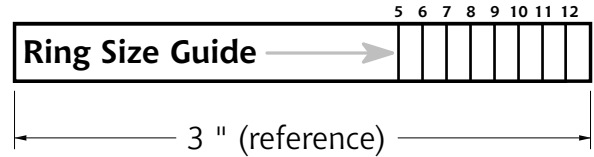

Hints:

- Measure your fingers when they are warm
- If you are buying as a gift for a girl, women's shoe size is usually close to their ring size
- If you are buying as a gift for a guy, men's shoe size **minus 2** is usually close to their ring size.
